FROM THE PRESIDENT’S DESK…

Dear Members,

It’s that time of year, time to renew your membership. You might like to know what our (very modest) membership fee underwrites.

First and foremost, your membership tells our legislators that you care about record preservation and about maintaining open access to the vital records of the Commonwealth.

This past year, the Massachusetts Genealogical Council worked hard against bills which sought to close, severely limit, or just complicate our access to records in Massachusetts.

In addition, we have trimmed down our own bill so that it offers a simpler approach for keeping town, city, and state records accessible.

Your membership dues support MGC’s legislative work, enable you to receive this newsletter, and make the annual Seminar with its full educational program possible (this year on April 26th).

Please, consider an early renewal and assist us in our efforts in the coming months.

With best wishes,

_Barbara Mathews, CGSM_

The Massachusetts Genealogical Council Annual Meeting and Seminar will be held April 26, 2008 at Bentley College.

More information will be forthcoming as details are finalized.

Have a safe and happy holiday season!

Founded in 1980, the Council's stated aim is to develop and promote the study and exchange of ideas among persons and organizations interested in the pursuit of genealogy. Its programs and activities are designed to complement those of the many genealogical and hereditary societies throughout the state and to provide a statewide forum for genealogists.
